# Thanks!

Dear Almond Bowl Participant:

What a race! I still look back with amazement when I think we had at least 1213 runners, over 50 workers, and approximately 200 spectators. It was a great day for a run, the course was in good shape, the park was beautiful, and the weather couldn't be better. Everywhere I looked people seemed to be enjoying themselves. Even during the race, courtesy and friendship seemed to prevail.

The number of fast runners seem to increase each year. Six official Almond Bowl records were broken, and from what I hear, many personal records. (Incidentally, both courses are guaranteed to be accurate.) I offer my personal congratulations, along with that of the Chico Running Club, to the 91 award winners. However, the greatest rewards do not always go to the most fleet of feet, and to the hundreds of other runners that just came out to enjoy the run, I also offer my congratulations for achieving their personal goals.

While we tried to offer the highest quality race possible, it was not without some minor difficulties. When the number of runners more than double from one year to the next, it makes estimation a bit difficult and I apologize for running out of refreshments and T-shirts. The T-shirts will be mailed as soon as they are printed. Other minor problems developed, all of which we intend to correct before next year. Infact, we intend to keep doing this thing until we get it right!

Many of you traveled a long distance to participate in our race. I hope you enjoyed the Almond Bowl Run and will return again next year. Feel free to write if you have any suggestions for improvement; we are determined to make this event one of the outstanding races in Northern California.

My sincere thanks to all of you that helped in any way. Without you there would be no race.

Sincerely,

Everett Riggle, Director  
Almond Bowl Run 1980
