

RACE RESULTS '81

Dear Almond Bowl Participant:

The Almond Bowl Run turned out to be a great success! It was a real pleasure to see so many athletes, of all ages and abilities, gathered together as participants in a single sporting event such as this. Half the fun is to make new friends, renew old acquaintances, and talk about running with whomever will listen.

The total number of people crossing both finish lines was 1292 (a new record). In the three mile event 663 crossed the finish line, while 661 completed the six mile event. With so many runners finishing in such a short period of time, it becomes exceedingly difficult to give everyone their exact finishing time and place. Thanks to the hard work of many people, I think we did a commendable job. However, in the three mile race, we did have one trouble spot that made the results posted on the results boards inaccurate from that area on. We, of course, reconstructed the results and most times are now accurate. There is still one small area that was impossible to reconstruct and remains inaccurate. For this I apologize. We are planning additional back-up systems to prevent this next year. Also, more personnel will be used to post the results. This should speed up the posting process and let the award ceremony start sooner. (Considering the number of runners, and the fact that the last runner didn't finish until 11:49 AM, a 12:30 ceremony wasn't too bad.) The only other trouble spot was the delay in the start, which I still can't believe! The park road is closed by means of a locked gate each evening and opened prior to 9 AM each morning. To everyone's amazement, it was discovered to be still locked at 9:45 AM. For awhile, I thought we were going to run the First Almond Bowl Steeple Chase. With thanks to the Golden Empire Radio Club, we were able to locate help, get the gate open, and start the race with approximately a 15 minute delay.

Would you believe that 37 people bettered the winning times from last year in the various divisions! Eleven of these will go in the book as new Almond Bowl records. It makes one wonder how many personal records were set.

Directing the race was a great personal experience for me, as I hope running the race was for you. We hope you will all be back the first weekend in November of 1982 to join us again.

Sincerely,

Everett Riggle

Everett Riggle
Almond Bowl Director

Thanks!

A special thanks to all of the people that helped put on this years Almond Bowl Run. It is only with your support that make races such as this possible. While there are too many names to list everyone (60+), I must mention a few key personnel that I could not have done without:
