RESULTS

Dear Runners:

First of all, I apologize for the long delay in compiling and mailing the 1982 Almond Bowl results. There are several reasons for the delay, all of which were entirely my responsibility. Both of the Chico Running Club's major annual races, the Bidwell Classic and the Almond Bowl, have a history of prompt publication of results, a record that all past race directors have been careful to maintain. I'll do my best to see that this is the only interruption in that record.

I'm sure the majority of you are aware of our finish line problems - an enormous back-up of runners in front of the 3-mile finish line and a small but significant mix-up in the 6-mile finish chutes. Consequently, your time and place may not be a perfectly accurate reflection of your accomplishment in the race. Please don't judge us too harshly on this score. We had nearly 500 runners register the morning of the race and a significant number of "Race Director's Nightmares" - unregistered runners - cross the finish lines. We didn't dream we would have a total turnout of nearly 1700 runners, and unregistered runners always make the job of compiling results a real headache. Modifications in the layout of the finish chutes and the method of posting and compiling results are planned for this year's race, in hopes of eliminating our two major problems.

Despite the problems, I think most of our participants had an enjoyable experience at the 1982 Almond Bowl Runs. We hope to see the vast majority of you back for this year's races, which are tentatively scheduled for Sunday, Nov. 6, 1983. We hope to have another beautiful Fall day for your run through Bidwell Park.

Many thanks to all of you who participated and all of your friends and families who supported you - you were a great group!
